CELEBRATE.TOGETHER.

It's great **STANDING** together! We do it arm-in-arm every week when my team wins! And... that hasn't been much of late!

So, I've been missing out!

Well, the truth is, I love to hear the stories of faith and sacrifice every year from our chaplains around Australia!

God is touching lives, healing broken hearts, restoring families and strengthening coaches and athletes in sports as diverse as Croquet and League!

When we stand together God responds. When we move together God goes ahead of us. And that's what we desire. God's grace and mercy to ordinary Australians through everyday men and women serving as chaplains.

Look forward to standing with you at conference!

Cam Butler
