Dorrington Wins 2008 Hall Of Fame

Western Australian motor sports chaplain Terry Dorrington, brother of WA Football League director Grant Dorrington received the 2008 Chaplains Hall of Fame Award at Sports Chaplaincy Australia's National Dinner in Melbourne this week.

National Director Cameron Butler presented the award to Terry Dorrington for his commitment and dedication to the ministry of chaplaincy and the impact he has had on so many people under his care. Butler remarked, "...most of which goes unseen." "You'll see Terry visiting and praying for a young man in the spinal ward and moments later encouraging and praying alongside the guys and girls working the funny cars at the Drags."

Well known and much loved by many in the WA motor sports community Terry is often seen driving his "chaplaincy" golf buggy around race tracks like Wanneroo and the Perth Motorplex honking his horn and saying giddyay to the drivers, crews and fans.

Apart from his chaplaincy Terry Dorrington works as a plumber and has been known to sing a song or two while working.

SCA is very proud of its chaplains and awards like this mean a lot to the many chaplains who give of their time and serve their communities at no cost for the sake of the Gospel. Dorrington said, "This is one of the greatest events in my life and I am so determined [to] get the word out there about the Lord and to get more Christians to become ...chaplains."
